Dear Councilman Ryu,

I thought I would continue with my counts for Beachwood.

Today was a cloudy day that looked like rain and certainly not a holiday weekend.

I walked my dog for less than a-half an hour around noon.

I counted 119 people!!!

You do the math with doubling for the hour-- then times all day long and double it for the trips up and back down.

This is the new "normal", and the new "normal" is insane and unsafe and is only getting worse.

6/29/2016

As I just got back home, and as we drove up the street with some cars having their lights on we saw DOZENS of people in the street JUST BEGINNING THEIR HIKES.
 This included a number of families with infant carriers and kids.
 They will all be coming down in the dark.
 Why are you perpetuating this dangerous magnet?
 When a car has no breaks you immediately pull over and stop driving.
 You don't keep going while you figure out what garage to go to.
 SHUT THE ILLEGAL AND DANGEROUS ENTRANCE TO THE PARK AT THE END OF BEACHWOOD NOW!!!
 And there is a place to go where it's safe, legal and NO ONE WILL BE IN THE STREET--Canyon Drive.

David Ryu must close and restore the vista as he promised the Lake Hollywood Coalition after we delivered signed residential consensus. There has not been one further word on this from his office. I ask readers on this email to describe what it is when some one does not live up to Their promise.

Thanks
 Tony
